Ring Size Guide

Before measuring your ring size, be sure this guide is printed in A4 size and scaled to 100%. You can check the accuracy of your print by positioning a credit card on the line below or placing the correct coin in one of the labeled ring sizes. If the card or coin lines up, you're all set.

Option 1: Measure By Matching Your Ring

To find your ring size, use an existing ring that fits you well. Match the inside of that ring with one of the circles below. If your ideal fit falls between two sizes, we recommend choosing the larger size.

Option 2: Measure with the Ruler

After you cut out the ruler, carefully cut the line to create a slit. Wrap the ruler around your finger at the base and pull the tapered end through the slit. To make sure the ring will fit comfortably, we suggest also measuring your knuckle. We recommend selecting a size that goes on and off your finger easily.
